

The Ariel range is produced by using a cold filtration process to remove all the alcohol, resulting in an elegant and fruity dry drink. The legal definition of a non-alcoholic beverage requires a product to contain less than 1/2 of 1% of alcohol. Ariel contain less alcohol than most fresh squeezed orange juice!

## Cup of Grapes

### 700. Ariel Brut Cuvee, J.Lohr, NV, California (Sparkling Grape)

Delicate floral aromas of lilac and lavender from the grape, coupled with a subtle toasty oak bouquet, create a sparkling drink well suited for a Sunday brunch, evening dinner party or any festive celebration.
